September 14, 2020

Dear Mayor and Council,

I present the *proposed* FY 20/21 for your consideration. The budget is the primary policy document for the organization; setting citywide service levels, implementing capital projects, and establishing the financial and human resources necessary to accomplish City Council objectives. This budget occurs in one of the largest economic downturns in modern history due to the Covid-19 pandemic.

In the midst of this, the city is undertaking an ambitious, and very necessary, program of fixing its long-term red water problem, but in doing so, is incurring significant debt to address this decades old problem. The city's overall debt (general and enterprise) is at \$46,914,741. For this reason, the budget presented to you eliminates one full time and one part time position, and holds the line or reduces spending on most line items. All City Council priorities have been met wherever possible.

On 7-14-2020, the city closed on \$27.4M in debt to begin fixing our aging water and wastewater infrastructure. The funds, from the Texas Water Development Board, are a mix of low and no interest loans, as well as \$900,000 of forgivable debt. The remaining capital projects are identified on the Rockdale project list and include just over \$3M in needed drainage improvements across town.

The next large project to be initiated is rebuilding the city's aging water treatment plant. It has exceeded its useful life by several decades. Once this is undertaken, and as debt is retired, the city can focus on enhanced maintenance or improvement of its other infrastructure, such as roads.

Even with all the work being taken on, the tax rate has been reduced slightly from \$0.9118 to \$0.9074 per \$100 in valuation. It's important to note that the city did not raise water bills during the 2019/2020 fiscal year either. This proposed budget removes the transfer from the Enterprise Fund to the General Fund, allowing both to stand on their own, to allocate water revenue to the debt payment.

Because of increased property valuations, the proposed budget is anticipated to raise \$93,700 more than last year---effectively a 6.4% increase.

SEPT 8 th	<p>Last day for Hearing on budget. (Hearing shall be before the date of the tax levy.)</p> <p>Note that the hearing must be after the 15th day after the proposed budget is filed with the clerk. Also, the city must take some sort of action on the budget at conclusion of hearing. This action could be the adoption of the budget, or else a vote to postpone the final budget vote. It is generally accepted that the city need not adopt the budget at the end of the hearing.</p>	<p>Tex. Loc. Gov't Code § 102.006(b)</p> <p>Meets Charter requirement</p> <p>Tex. Loc. Gov't Code § 102.007</p>
SEPT 14 th	<p>City should adopt the budget no later than this date. (City may only levy taxes in accordance with budget, and because levy cannot take place later than September 29 (see below), this is the effective deadline for property taxing cities.)</p> <p>The city council must take a separate ratification vote to adopt any budget that will raise total property tax revenue. The budget must contain a special cover page that includes: (a) a specific statement on whether the budget raises more, less, or the same amount of property tax revenue compared to the previous year's budget; (b) the record vote of each member of the city council by name voting on the adoption of the budget; (c) the city property tax rate for the preceding and current fiscal years, including the adopted rate, no-new-revenue tax rate, voter-approval tax rate, and debt rate; and (d) the total amount of city debt obligations secured by property taxes.</p> <p>The adopted budget, including the cover page, must be POSTED on the city's website if the city has one.</p>	<p>Tex. Loc. Gov't Code § 102.009</p> <p>Meets Charter requirement</p> <p>Tex. Loc. Gov't Code § 102.007(c)</p> <p>Tex. Loc. Gov't Code § 102.007(d)</p>
SEPT 14 th	<p>Must hold tax rate hearing (if applicable) and adopt tax rate no later than this date (or 60th day after receipt of appraisal roll, whichever is later. If city uses 60 day rule, almost every date in this schedule will need to be recalculated.)</p> <p>The hearing must be held on a weekday that is not a public holiday.</p> <p>The city council may vote on the proposed tax rate at the public hearing. If the city council does not vote on the proposed tax rate at the public hearing, the city council shall announce at the public hearing the date, time, and place of the meeting at which it will vote on the proposed tax rate, and that meeting may not be held later than the 7th day after the date of the public hearing.</p> <p>The city council must separately approve the maintenance and operations component and the debt service component of the tax rate.</p>	<p>Tex. Tax Code § 26.05</p> <p>Tex. Tax Code § 26.06(a)</p> <p>Tex. Tax Code § 26.06(e)</p> <p>Tex. Tax Code § 26.05(a)</p>

SEPT 14 th	<p>The motion to adopt a tax rate that exceeds the no-new-revenue rate must be made precisely as follows: "I move that the property tax rate be increased by the adoption of a tax rate of (specify tax rate), which is effectively a (insert percentage by which the proposed tax rate exceeds the no-new-revenue tax rate) percent increase in the tax rate." SB 1760 (2015) provides that if the tax rate will exceed the no-new-revenue tax rate, the vote on the ordinance setting the tax rate must be a record vote and must be approved by at least 60% of the members of the city council.</p> <p>Tax Code Section 26.05 contains several other precise requirements regarding notice in the tax rate ordinance itself that must be complied with if the city adopts a rate exceeding the no-new-revenue tax rate. The city council may not hold its public hearing or public meeting to adopt a tax rate until the 5th day after the date the chief appraiser of each appraisal district in which the city participates has delivered its tax estimate notice under Tax Code Sec. 26.04(e-2) and made various types of tax rate information and the tax rate calculation forms available to the public via the property tax database under Tax Code Sec. 26.17(f).</p>	<p>Tex. Tax Code § 26.05(b)</p> <p>Tex. Tax Code § 26.05(d-1)</p>
By Sept 17 th	Final adoption of budget – Ordinance requires two readings and one reading MUST be at a regular meeting	Not later than the third Thursday of September

Budget Format

The budget is divided into funds and departments. Rockdale's budget is divided into the following fund categories:

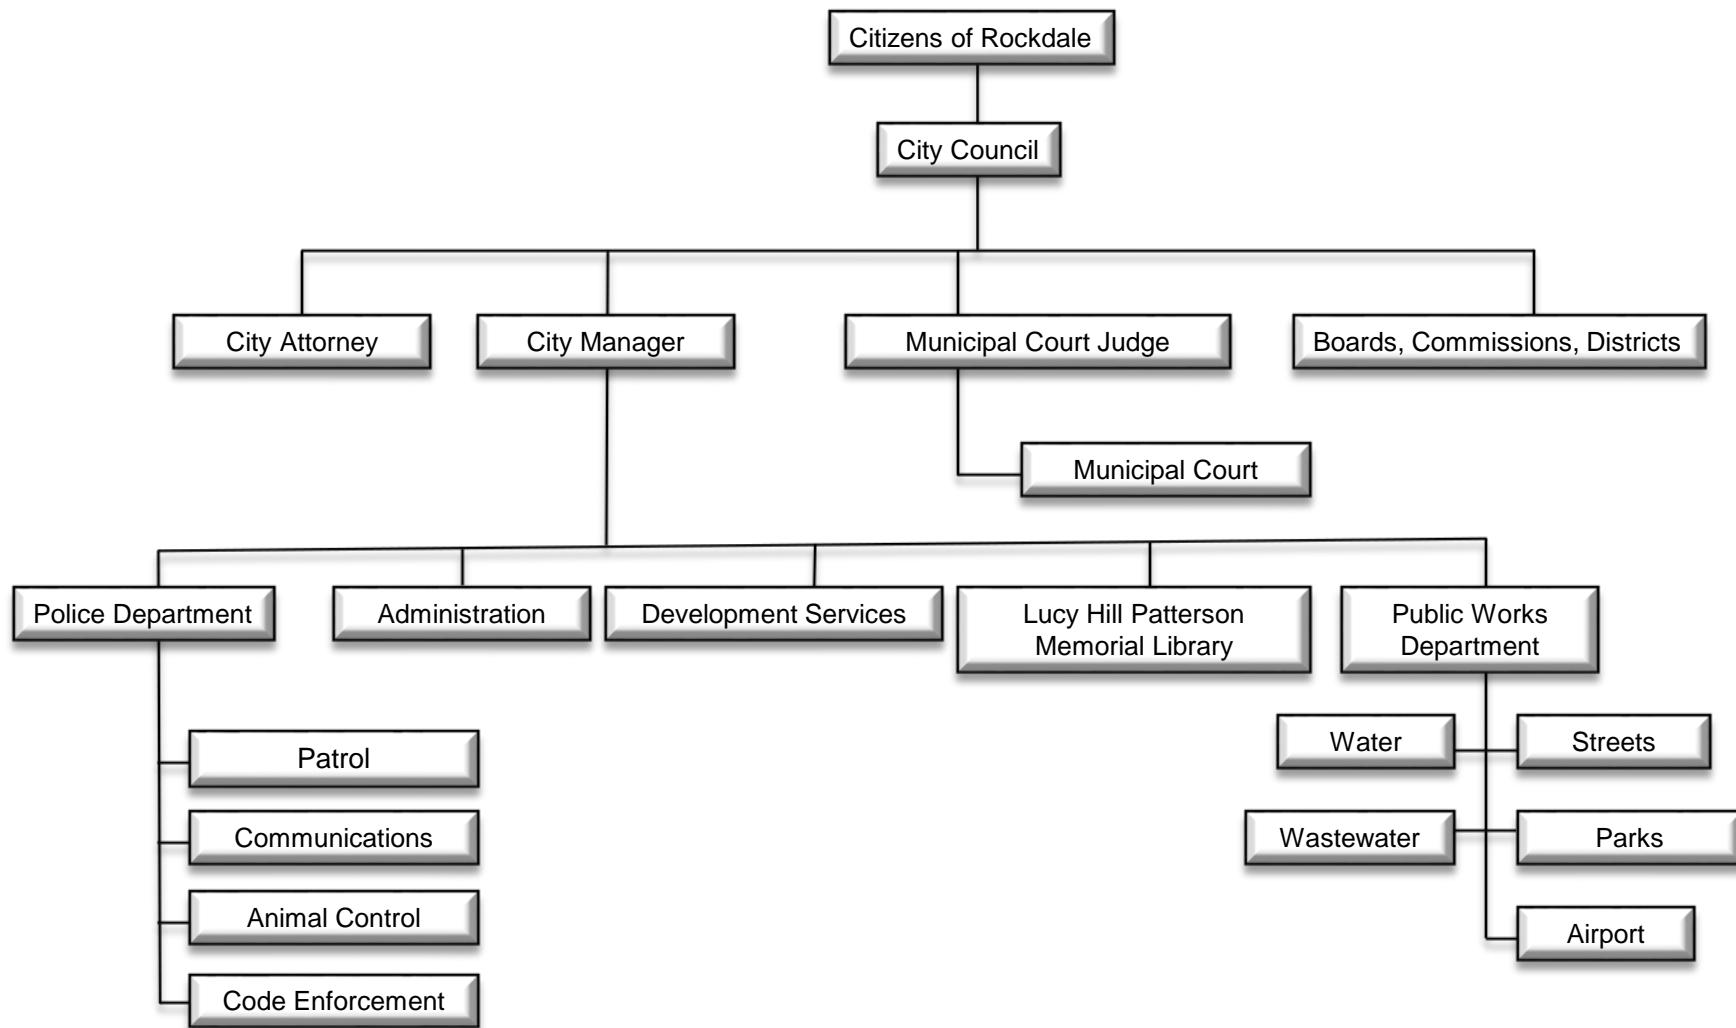

- The General Fund comprises revenues and expenditures for all operations of the city except for the utility and sanitation services;
- The Enterprise Fund comprises the water, wastewater and sanitation service revenues and expenditures;
- The General Debt Service Fund includes the revenues and the payments for indebtedness which is payable from ad valorem property taxes;
- The Enterprise Debt Service Fund includes the transfers from the Enterprise Fund and expenditures for indebtedness which are payable from water and sewer rates and fees;
- The Municipal Development District Fund includes the revenues from the ½ cent sales tax for the Municipal Development District and the expenditures of the District;
- The Hotel/Motel Occupancy Tax Fund which includes the revenues and expenditures for the hotel occupancy tax as provided for by State law;
- The Municipal Court Building Security Fund which includes the revenues and expenditures from a fee on court citations and can only be used to enhance the building security of the municipal court;
- The Municipal Court Judicial Efficiency Fund which includes the revenues and expenditures for improving the education of municipal court officials;
- The Municipal Court Technology Fund which includes the revenues and expenditures from a fee on court citations and can only be used to enhance the use of technology by the court;
- The Municipal Court Collection Agency Fund includes the fees assessed and paid for collection of outstanding court fines and warrants;
- The Airport Fund includes the revenues and expenditures for H.H. Coffield Regional Airport.
- The Capital Improvements Program shows the projects and funding sources for major projects. Chief among these is utility improvements intended to address Rockdale's red water. The Capital Improvement Program funds projects which are too expensive to be included in the operating budgets and the construction of the project may transcend more than one fiscal year.

The requested FY 2020-21 budget (revenues and expenditures), budgeted and actual FY 2019-20 revenues and expenditures, and the budgeted and actual revenues and expenditures for FY 2018-2019 have been included.

Informational pages which help explain the revenues or expenditures have also been included in the budget. These informational pages are:

- A Description of Funds pages which describe the different funds used by the City of Rockdale, their purpose, source(s) of revenue and authorized expenditures;
- An organizational chart which shows the reporting relationships for the organization;
- A consolidated statement which provides the revenues, expenditures and projected surplus or deficit for each operating fund;
- A fund expenditure summary chart that shows the percentage that each fund comprises of the entire operating budget;
- A cash balance sheet which shows for each operating fund the amount of cash on hand at the end of the 2018-19 fiscal year, the projected revenues and expenditures for the 2020-21 fiscal year, the number of operating days that we anticipate having in reserve at the end of the current fiscal year, the revenues and expenditures projected for the next fiscal year and the number of operating days reserve we anticipate to have at the end of the next fiscal year;
- An ad-valorem taxes page which shows the distribution of the ad valorem property taxes between the General Fund and the General Debt Service Fund;
- A Tax Rate Comparison Chart that shows the effective maintenance and operations tax rate (that tax rate that would bring in the same amount of property tax revenues to the General Fund in the new budget as it did in the current budget due to the net taxable appraised value increasing or decreasing), the rollback maintenance and operations tax rate (8% more than the effective tax rate), the proposed maintenance and operations tax rate for the new fiscal year, the proposed debt service tax rate for the new fiscal year, and the proposed total tax rate for the new fiscal year;
- A Personnel Summary which shows the number of positions by job title for each department that is included in the budget;
- A copy of the City's Investment Policy which is required by the Public Funds Investment Act; and
- A Glossary of Terms which defines terms used in the budget.

This project was anticipated to be a local let project, with our firm handling all bidding and construction administration efforts. Once the TASA project was under design, TxDOT staff recommended extending the sidewalk at City Hall to tie-in to the TASA sidewalks at Burleson, as well as extending the north portion of the TASA project west, to Scarborough. This work was not included in the original scope of services, and no contract modification was provided. The construction of this project will now be handled by TxDOT as a state let project, with minimal assistance by our firm. This means that the funding set aside for these phases will not require the effort as originally budgeted. Since the projects for the DRP, Hwy 79, and TASA all lump sum, we would like to perform the following fund reallocations: Hwy 79 move \$8,000 from planning to design/move \$15,000 from to design TASA-move \$25,000 from bidding & CA to design. The Hwy 79 and TASA changes do NOT require a contract amendment since the project was lump sum, and the contract amounts do no change. For the DRP project, this will require a contract amendment to close out the DRP contract, and reallocate those funds to the Hwy 79 contract.

The scope of work included mill and overlay of the existing pavement, new curb and gutter, storm sewer replacement as needed, and sidewalk from City Hall to Erie St. The TxDOT Bryan district volunteered to roll the DRP construction portion into the project since the schedule for the TDA project could not be extended to meet the TxDOT schedule. It was anticipated that this project would be a state let project, but with significant support by our firm during bidding and construction.

Since the schedule for the TxDOT project would not accommodate the DRP work, TxDOT offered to do the construction in the Hwy 79 project below. However, the design was still to be completed. The DRP contract with the City and MRB still has \$29,150 left. We have not billed to that contract since November 2018. However, we do need to "clean up" this contract since we are nearing completion and needing these funds to complete the markups of the TxDOT comments.

Description of Funds

General Fund

The fund used to account for all financial resources except those required to be accounted for in another fund. This fund includes most of the basic operating services such as police and fire protection, park and recreation, library services, street maintenance and general administration. The major source of revenues for the General Fund are the portion of the ad valorem (property) tax that is assessed on real estate to pay for general operations and maintenance, the 1% sales tax levied by the City of Rockdale, general municipal court fines, franchise fees levied on private utilities for use of City streets and rights-of-way, charges or services, and grants.

Enterprise Fund

A fund used to account for operations financed and operated in a manner similar to private business enterprises in that they are self supported by user fees. The Enterprise Fund contains revenues and expenditures for the water, wastewater and sanitation services.

Enterprise Contingency Fund

A fund established to provide resources for repairs and improvements to the utility system. The revenues for the fund is from a fee placed on each water account and wastewater account as determined by the City Council

General Debt Service Fund

A fund established to account for the accumulation of resources for, and the payment of, long-term debt principal and interest. The revenues for the general debt service fund is from the portion of the ad valorem (property) tax assessed against real estate for the repayment of outstanding debt, generally general obligation bonds, certificates of obligation or tax notes.

Enterprise Debt Service Fund

Hotel Motel Tax Fund

A fund established to promote tourism and the lodging industry, the arts and/or historical preservation in the community. The categories which expenditures must clearly fit into are:

1. Funding the establishment, improvement or maintenance of a convention center or visitor information center.
2. Paying the administrative costs for facilitating convention registration.
3. Paying for tourism-related advertising and promotion of the city or its vicinity that is directly related to increasing tourism and the convention and hotel industry.
4. Funding programs that enhance the arts that directly promote tourism and the hotel and convention industry. Cities of less than 125,000 population are limited to a maximum of 15% of the total revenue produced by the hotel tax.
5. Funding historical restoration or preservation programs that directly promote tourism and the hotel and convention industry. If a city does not allocate at least some of its hotel tax money for acquiring, constructing, improving, maintaining or operating a convention center or visitor information center, the maximum for historical restoration or preservation programs is 50% of the hotel tax revenue.
6. Funding costs to hold sporting events in cities located in a county with a population of one million or less provided that the majority of participants are tourists.
7. Enhancing and upgrading existing sport facilities or fields if the facility is:
 - a. Owned by the city; and
 - b. The sports facility or field has been used, in preceding calendar year, a combined total of more than 10 times for district, state, regional or national sports tournaments; and
 - c. The city has a population of 80,000 or more and is located in a county with a population of 350,000 or less; or
 - d. The city has a population of between 65,000 and 70,000 and is located in a county with a population of 155,000 or less; or
 - e. The city has a population of between 34,000 and 36,000 and located in a county with a population of 90,000 or less.
8. Funding transportation systems for tourists if the funds are used to transport tourists from hotels in and near the city to: (a) the commercial center of the city; (b) a convention center in the city; (c) other hotels in or near the city; and (d) tourist attractions in or near the city. The reimbursed transportation system must be owned and operated by the city, or financed in part by the city.

The revenue for the hotel motel tax fund is from a tax levied on guests staying in hotel/motel rooms or other facilities subject to State law. The City of Rockdale levies a 7.0% tax on the cost of the hotel/motel rooms. The expenditures in the fund are for administration of tourism programs, preservation of the arts and/or historical preservation.
